Tecra Z40 PT45GA-003002

Price $2,417.80 RRP AUD (inc. GST)

Overview

Stay productive with business laptops that deliver security, durability, reliability and extremely smart performance.

When it comes to travelling first class, the Tecra Z40 delivers all the topflight performance, elite technology and ultra-mobility needed to stay productive and on top of the game.

Ultra-thin and ultra-light, this stylish Ultrabook™ features a stunning 14" High Definition HD+ widescreen display, backlit and coated with anti-glare technology for maximum clarity in all lighting (selected models). Full on-desk docking facilities provide easy workstation usability, yet this world-class performance Ultrabook™ is still stunningly thin and light without compromise.

Built to handle the rough and tumbles of life in the office and on the road, it features Toshiba's unique Honeycomb structure and dual motherboard pillars for increased durability, reliability and security. Highly Accelerated Life Testing (HALT) significantly minimises the risk of data loss, downtime and repairs, ensuring inbuilt world-class reliability to keep your business moving forwards.

Experience 30% less power consumption with the same blazing-fast maximised performance, amazing graphics and greater battery life of up to 10 hours with the latest 5th Generation Intel® i5 Dual-Core processor. Plus there's a choice of the ultra-fast and responsive 500GB 7200rpm HDD and 4GB DDR3L on-board memory (expandable to 16GB with two memory slots accessible).

Fully optimised for effortless fleet deployment, this first-class ultraportable comes with common BIOS, Firmware and Imagery. What's more, execs can travel and work with complete confidence thanks to a suite of no compromise EasyGuard® security, connectivity and manageability features designed to safeguard important data and aid recovery in case of theft.

The Tecra Z40 comes pre-loaded with Windows® 7 Professional with Windows® 8.1 Pro included in the box. There's also a full suite of expansion, wireless and external display connectivity including a 2MP HD Webcam, Bluetooth® V4.0, blisteringly fast Intel® 802.11ac + a/g/n Wi-Fi™, HDMI®, RGB, VGA, 3 x USB 3.0 ports including one with Sleep-and-Charge and USB 2.0 port.

Advanced management features, low total cost of ownership and a shared platform with other models in the Portégé and Tecra series make Tecra Z40 the ideal investment for fleet use.

Toshiba recommends Windows 8.
